Company Bio

4690 Solutions, LLC, founded in 2024, is dedicated to providing answers and education to clients navigating the complicated FMS contracting system. Born out of a desire to cut through cumbersome processes and provide actual solutions, our unwavering focus on results and problem-solving permeates everything we do, ensuring our clients' needs are met effectively.

Differentiators

- ✓ **Experienced Team:** Our team comprises seasoned professionals with extensive industry experience.
- ✓ **Foreign Military Sales (FMS):** We specialize in supporting FMS Cases managed and provided by the US Government. We have specialized expertise in directly supporting US Government Organizations, and our CEO is an expert who previously served as an FMS Case Manager and Weapon System Manager. This expertise includes case development in the country with US Embassies and partner nations, case development with US Government Organizations, and contracting all FMS Case deliverables.
- ✓ **Client-Centric Approach:** We prioritize our clients' needs and tailor our solutions to meet their specific requirements.
- ✓ **Proven Track Record:** We have a history of successful project delivery and satisfied clients.
- ✓ **Innovative Solutions:** We leverage the latest technologies and methodologies to provide cutting-edge solutions.

Core Competencies

- ★ **IT Consulting:** Providing expert advice and solutions to optimize IT infrastructure and operations.
- ★ **FMS Case Management:** Managing Foreign Military Sales projects from inception to completion, ensuring timely delivery and adherence to budget. This includes all interactions with a Partner Nation to start an FMS Case through contracting and delivery. Empowering companies by helping them understand the FMS process, enabling them to present their best selves and increase their chances of achieving their strategic goals
- ★ **Business Process Optimization:** Streamlining business processes to improve efficiency and productivity.
- ★ **Data Management & Analytics:** Leveraging data to drive business insights and decision-making.
- ★ **Digital Transformation:** Helping businesses transition to digital platforms and technologies.
- ★ **US Government Policies and Procedures Expertise:** Offer expert research and analysis on US Government Policies and Procedures to help clients make informed decisions quickly based on provided doctrine references
